## Research Interests

---

- Human–AI interaction & teaming: trust, situation awareness, and adaptation
- Responsible AI at work: supporting human judgment, expertise, and learning in AI-assisted work.

## Education

---

### Clemson University

08/2024 – Expected 05/2029

*Ph.D. Human-Centered Computing (Advisor: Christopher Flathmann)*

### Bowling Green State University

2019 – 2023

*B.S. in Visual Communication Technology*

*Minor: Computer Science*

## Research Experience

---

### BIG-CAT Research Lab

08/2024 – Current

*Graduate Research Assistant (Advisor: Christopher Flathmann)*

– Lead mixed-methods studies of trust, coordination, and effectiveness in human–AI teams, both independently and with collaborators.

## Publications

---

### Drawing the Line: How Practitioners Govern AI Authority Through Social Role Construction in High-Stakes Teams

Han Nguyen, Yunhao Wang, Kwame Andre, Wen Duan, Christopher Flathmann, Nathan McNeese.

*The 60th Hawaii International Conference on System Sciences (HICSS), 2027. In Press*

### Who Controls Information Between Teams? Social and Performance Perceptions of Human and AI Boundary Teammates in Hybrid Multi-Team Systems

Chase Guynup, Han Nguyen, Kwame Andre, Christopher Flathmann.

*ACM Transactions on Social Computing (TSC). In Press*

### Does AI Kill "Real" Networking? Opportunities and Risks of AI-Assisted Self-Presentation on Professional Online Networks

Han Nguyen, Guo Freeman, Christopher Flathmann.

*The 29th Conference on Computer-Supported Cooperative Work & Social Computing (CSCW), 2026*

### The Teammate Divide: How Humans Approach Teamwork Differently with Human and AI Teammates

Christopher Flathmann, Han Nguyen, Kwame Andre, & Chase Guynup.

*Proceedings of the ACM on Human-Computer Interaction (GROUP), 2026*

**"AI is a friend, a teammate, not a supervisor": Understanding Human Perceptions of AI teammates' Monitoring in Human-AI Teams**

## Services

---

**Vice President at Association of Computing Machinery – Women (ACM-W)**

2020 – 2023

*BGSU Chapter*

**Mentor for CODE4her Program**

2019 – 2023

*BGSU Computer Science Mentoring Program*

## Awards/ Honors

---

**BGSU Student Spirit Award**

2023

**BGSU Margaret & Duane Tucker Scholarship**

2023

**BGSU Young Women in Leadership Scholarship**

2022
